

JULY MEETING MINUTES

Location: City of Keizer

Date: July 18, 2013

- Thank you City of Keizer and Pat Taylor for hosting the July meeting.
- Next Meeting is in Carlton, Retirees and closest to the pin fund raiser.
- **Treasures report**- Balance is currently at \$56,574.65. Will be sending a check to Clackamas Community College for the Water Works School for \$37,518.91 leaving the balance at \$19,055.74.
- **Committee reports,**
 - Water Works School- Jim Whynot reported that Jason Branstetter with the City of Gresham is the new Chair. The school went really well with a lot of positive feedback. As always if you are interested in volunteering to help out with the school, your help would be greatly appreciated. This year's school had the lowest registration in the last 10 years.
 - Membership- Chandra Hingston reported that the committee is working on a survey that will help to determine where to focus the committees energy.
 - Safety- No report
 - Activities- Gerald Arredondo reported that Tacoma took 3rd place in Top Ops at the Section Conference.
 - Education- Corie Peterson reported that there is a class scheduled for September 19th on Water use Efficiency Action Plans For Distribution Systems. Will be held at the Port of Portland at the Portland Airport.
 - Water For People- Chuck Kingston reminded everyone about the upcoming Wine For Water event on August 23rd.
 - Scholarship- No report
 - Young Professionals- No report
 - Website- Andrew Nishihara reminded everyone to keep the announcements coming and that the committee member lists have been updated.
- **Old Business**- WFP Golf in Gresham on the 19th of July still have room.
- **Meeting Program**- Ed Butts with 4B Engineering discussed Problem Solving 101 and troubleshooting pumps.
